IN COMMITTEE in the Cover d' Alene investigation to liv. The Governor detailed a number of visits to Sau Francisco. Spekane and lewhere, during which time he met ie officials of various mines. At Spotane he told a mine owner that there could be no modification of the permit stem. The mine owners were opposed the system and wanted to employ he men they chose but the governor aid he informed them that the state of Idaho would not permit the employment of criminals. He intended to enforce the system as long as it seemed necessary to insure order.

Lentz asked if this meant that the sovernor would do as he pleased on the subject. The witness replied that he would do as his judgment dictated. If the permit system resulted in a loss to the mines of half a million dollars, as

"I was told so by Col. Stowe."
"Was the statement in writing?"
"It was."
"Have you the letters?"
"No." Macrum said he thought he could produce a copy of the letter in about time.
